

# Shredding service offered at Peak

Peak Community Services is sponsoring a Community Shredding Day on Feb. 21.

Each customer will receive the first 25 pounds of shredding for free. Each additional pound will cost 14 cents.

Services will be provided at 1416 Woodlawn Ave., Logansport, between 9 and 11 a.m. Come to the 14th Street entrance; there is a buzzer at the door. Papers should be packed into containers that do not have to be returned. Cardboard containers and the shredded paper will be recycled with a certified company.

For information, call Tina Foust at (574) 753-4104 or send e-mail to [shredding@peak-community.com](mailto:shredding@peak-community.com). This service provides employment for adults with developmental disabilities.
