*Peak Community Services Elects Board
Members and Presents Awards*

At the Annual Meeting of the local Arc chapter for Cass and Pulaski Counties, Peak Community Services elected Board members, distributed end of year statistics, and presented awards.

Returning board members elected to fill two-year terms were Jim Callaghan, Arden Cramer, Sandra Hulsizer, Phyllis Maw and Janet Thomson. New board members, also elected to fill two-year terms, were Bruce Vernon, Mildred Reidwick, and Linda Leasure.

Steve Wallace was selected as Consumer of the Year. This award is presented annually to a consumer who exemplifies the vision of the agency, increasing his or her independence at home, at work, and in the community. Steve was honored for his employment in the community, working first for the Parks Department and now for Angle Trucking.

The individuals selected for Volunteer of the Year are actually staff members, but they were selected because of the endless hours they put into consumer recreation and socialization programs, well beyond the hours for which they are paid. They are Stacey Raisor, from Woodlawn Center's Employment Services; Bonnie Campbell, from Woodlawn Center's Workshop; and Cara Berkhire, from Pulaski Developmental Services' Adult Daily Living Skills program.

Ending the evening, Peggy Dague, Immediate Past President, was honored for her years of service to the Board of Directors as she moves off the Board.
