PDS Serves Annual Fall Dinner to Consumers, Family & Friends

Turkey, dressing, mashed potatoes, gravy, cranberries, green beans, pies, pies, pies...sound like Thanksgiving? Not quite...it was the annual Fall Dinner hosted by PDS for consumers, family and friends.

Emcee (PDS Director) Rick Phelps regaled the crowd with introductions of staff and awards to consumers. A truckload of door prizes were given out, and Margaret Lucas won the pasta contest.

If this sounds a bit vague, it should. It's tough to report on a gathering that was meant to be good fun and good food! The party certainly lived up to those expectations!

At the end of the meal, Margaret Berkshire of the Pulaski Memorial Hospital Auxiliary presented a check to the PDS Workshop. This donation was to say "thank you" for the efforts of the consumers in putting together the Auxiliary's annual fund drive mailing.
