

Press Release

March 2005

*March is National Disabilities
Awareness Month: Mix iT Up!*

The theme of Disability Awareness Month 2005 is “Mix it up.” The poster, which features four children selling lemonade at a neighborhood lemonade stand, illustrates the theme, as the children not only “mix up” their lemonade but also include children both with and without disabilities in their activity. The goal of this year’s campaign is to encourage children to have positive attitudes about disability and to be inclusive in their everyday activities.
