*DaimlerChrysler Corporation Fund
Purchases Software*

Peak Community Services is a recipient of a Community Vitality grant from the DaimlerChrysler Corporation Fund.

The DaimlerChrysler Corporation Fund supports programs whose efforts build social and economic stability and contribute to making communities attractive, safe places for DaimlerChrysler employees, customers and neighbors. They concentrate their support on programs that expand individual potential, encourage arts appreciation, promote diversity and address pressing social issues.

Applicants for these grants are considered in terms of how the goals of their programs support the Fund's own mission to encourage responsive, healthy and attractive communities wherever DaimlerChrysler Corporation conducts business.

The DaimlerChrysler Corporation Fund is supporting a project to benefit adults with Developmental Disabilities in Cass, Pulaski and surrounding counties. Funds will be used to purchase software will allow up to 20 staff members to access consumer records, to keep them up-to-date, on-line and up-to-the-minute regarding consumer goals toward independence.

The use of this software will enhance communication between programs regarding individual clients, enhance billing documentation, speed up billing documentation, enhance daily, weekly, monthly, quarterly, semi-annual and annual reports that are required by funding sources, decrease operating costs, and enhance service delivery.

Peak Community Services is proud to be a recipient of this grant from the DaimlerChrysler Corporation Fund.
