

## PRESS RELEASE

## Knights of Columbus Makes Donation

JULY 2007

Consistent supporters of Peak Community Services, the Winamac Knights of Columbus recently presented a donation to the agency.

One contribution was made as a result of the annual Tootsie Roll Drive, a Knights of Columbus tradition that provides financial support to the Activities Fund for consumers at the Winamac facility. Another donation was made to help support Winamac Work Services, a program that provides support to several local businesses.

The consumers and staff of the agency say thanks!
