We need advocates. We need people who are willing to be on an email mailing list to respond quickly when asked. Often, issues arise and we have only a matter of days or a couple of hours to ask people to get in touch with their legislators. That's why an email mailing list will work the best. If you are willing to be on that e-mailing list, please let Kathi Thompson know. Send your name, address and the email address you want to use for this effort to ktompson@peakcommunity.com. You will receive the contact information for your legislators, and as hot issues arise, you will be contacted.
